FOR IMMEDIATE RELEASE

PRESS RELEASE

REPORTING DATE FOR SHS 1 STUDENTS

The Ghana Education Service announces to parents, students and the general public that the reporting date for first year students is 4th December, 2023 as indicated on the Placement form.

It is the expectation of Management that schools begin registration and orientation of students from the 4th of December 2023. Per the academic calendar, there would be Christmas break on the 21st of December 2023 and resume on the 3rd of January to continue academic work till March 5th 2024.

Management urges all students yet to do their Self Placement to do so as quickly as practicable.

We appreciate all stakeholders for collaborating and supporting the CSSPS process to this point. We continue to ask for your patience to ensure the academic calendar for SHS is implemented without hitches in order to get back to the pre-covid academic calendar.
