FOR IMMEDIATE RELEASE

PRESS RELEASE

RELEASE OF 2023 SCHOOL PLACEMENT

The Ghana Education Service announces to parents, students and the general public that the 2023 Computerized School Selection and Placement System (CSSPS) into Senior High Schools and Technical and Vocational Education and Training Schools (TVET) has gone live today, **28th November 2023**.

Out of the total number of **598,839** results received from WAEC, **585,797** candidates qualified to be placed.

A total of **477,772 (81.56%)** have automatically been placed in one of their choices. This is a significant improvement compared to last year's, with over 100,000 more students placed. However, **108,025 (18.44%)** qualified candidates could not be matched with any of their choices. All such students are, therefore, to do **Self-Placement** to select from available schools. To access the placement platform, candidates are to follow the steps below:

- ✓ Obtain a placement pin code from an approved vendor.
- ✓ Log onto the site www.cssps.gov.gh
- ✓ Enter the ten-digit index number and add **23** as the year of completion.
E.g.: 1234567890**23**
- ✓ Enter the pin code details (serial number and pin)
- ✓ Click on **submit** and wait for placement to show up
- ✓ Print your **enrolment form, placement slip, and prospectus**

-MORE-

SELF PLACEMENT MODULE

If a student is not matched with any of his/her choices from the automatic placement system, he/she will be redirected to the Self-Placement Portal. From the portal, select a school by providing the information below:

- Region
- Residential preference
- School
- Programme of choice
- Click on Submit
- Print the form and visit the school to begin the admission process

Note: Schools Selected on Self-Placement Portal can be changed as many times as the candidate wishes on the portal until they enroll in a school.

Management of Ghana Education Service wishes to assure all students, especially those who could not be matched with their choices during the automatic placement, parents and the general public that all schools with vacancies have been uploaded on the portal for students to select from during self-placement without hitches.

The Computerized School Placement is merit-based, so parents are cautioned not to pay money to unscrupulous persons who promise to change their schools.

Heads of Institutions are to begin registration and orientation from **4th December 2023**.

The public is also informed that apart from the **National Solution Centre** at the **GNAT Hall, Adabraka** and the **Regional Solution Centres** at the various Regional Education Offices, they can also call our helpline on **0308258001** for all concerns.
